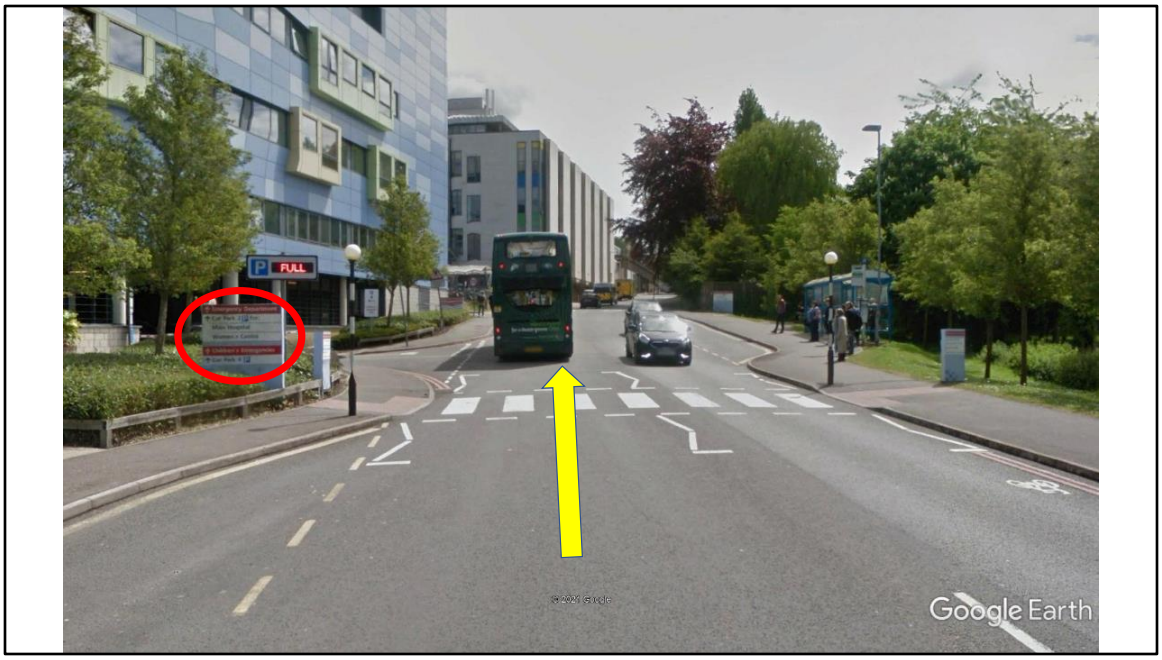
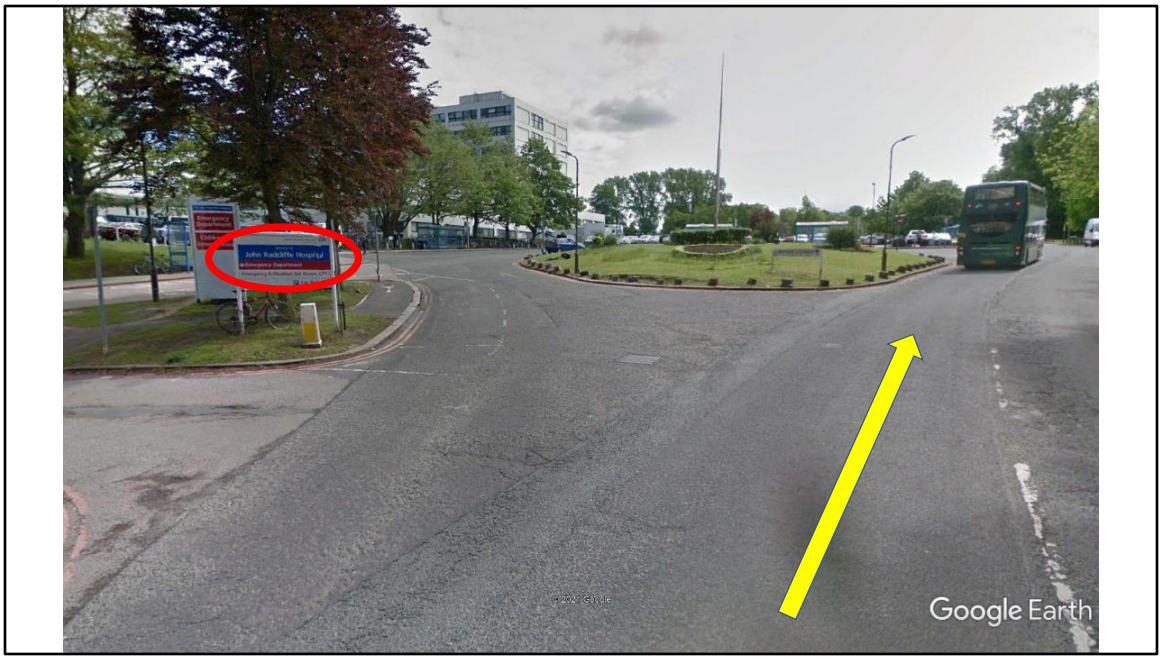
JR Main Entrance to the Women's Centre where Maternity and the Milk Bank are located

/continued…..

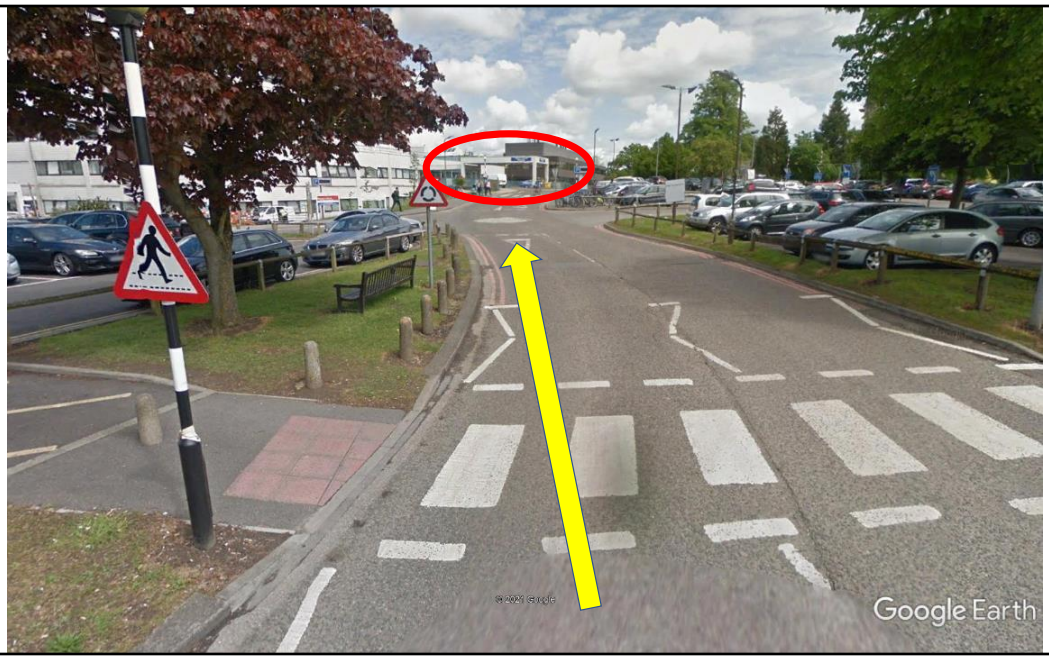
Turn right towards the Main Entrance for the Milk Bank in the Women's Centre.



Follow the bus!! Continue straight on toward the Emergency Department, Main Entrance and the Women's Centre for the Milk Bank



For the Milk Bank continue following the bus ignoring the main entrance



For the Milk Bank continue on round the hospital ring road to the next roundabout. You can see the entrance to the Women's Centre under the awning in the distance.

Pull in to the unloading area. You can park a duty bike up against the railings on either side. If you are in a car or 4x4 you can use the waiting bays on either side where the white van and the BMW are parked. DO NOT park across entrance or in the ambulance bay marked with a red X. The car parks around the Women's centre allow for 20 minutes free parking which is sufficient to deliver or collect. Full details of the location of the milk bank are given during the Milk Training.
