- Routes Included:** Wexham Park Hospital to Heatherwood Hospital (WPH to HTHWD)
- Special Instructions:** Park in car park A adjacent to the Main Entrance

21 May 2021

To get to Heatherwood Hospital (HTWD) from Wexham Park Hospital (WPH) follow the sat nav route (in Trip Planner) from WPH to HTHWD.

Leave WPH and turn left on Wexham Street. Continue to roundabout and take 3rd exit (right) onto Stoke Green

At next roundabout take 1st exit (left) on to B416 to Slough. Continue on B416 all the way to the junction with the A4 just beyond the Station.

Cross over the A4 and continue straight. The road name changes to A332 as it crosses the A4 Continue on the A332 under the M4 just after McDonald's Slough on your right

After the flyover take the 2nd exit (right) at the roundabout, continue on A332 towards Windsor

Continue on the A332 as it merges with the A355 this becomes the Windsor and Eton Relief Road and has a great view of Windsor Castle to your left as you cross the Thames.

Remain on the A332 until it reaches the next roundabout. Take the 3rd exit (straight) on to the B3175 towards Legoland

Continue on B3175 until the T junction at the traffic lights. Turn right to join the B3022 following the signs to Legoland and Ascot Racecourse

Follow the B3022 passing Legoland by going straight over the roundabout

At the next roundabout take the 1st exit (straight) onto the B383

At the next roundabout (the "Peanut" roundabout) take the 3rd exit (straight) onto the A332 again towards Ascot & Ascot Racecourse

Continue on the A332 past Ascot Racecourse on your left until you reach a small roundabout just before the roundabout junction with the A329.

/continued.....

We will pick up the street level view of this route as we approach the small roundabout just before the junction with the A329

Continue on past Ascot Race Course (entrance 1 circled) and take the 1st exit (straight) over the roundabout

At the next roundabout there are few signs to guide you initially. The NHS sign is circled but there is no guarantee that will still be there. The War Horse memorial statue in the middle of the island might be a more permanent guide.
Turn left on to the A329 but as you do get into the right lane

As you exit the roundabout get into the right lane as you will be turning right to follow the car in the picture in via entrance 2. Heatherwood Hospital main building is visible in the middle of the picture

Somewhat conveniently the two cars in the photo demonstrate your course into the hospital via entrance 2 towards car park A

If necessary follow the one way system round the car park and park opposite the Main Reception entrance circled.

Welcome to Heatherwood Hospital
