Special Instructions:

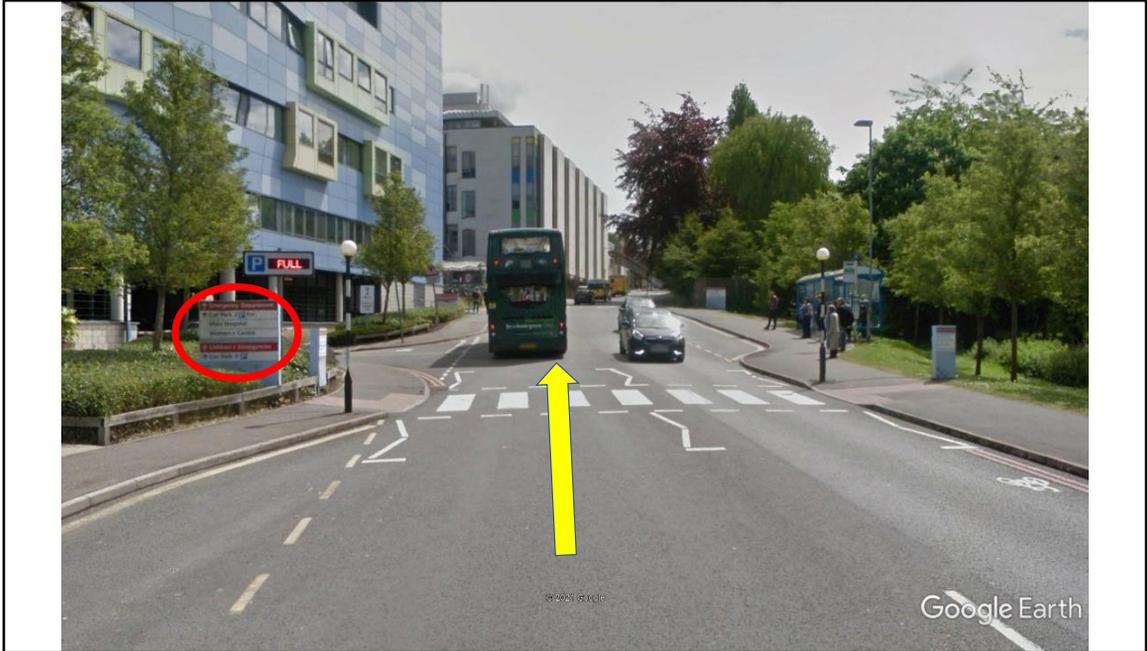

JR Main Entrance to JR Pathology Laboratory (Pathlab) which is situated in the main hospital through the main entrance

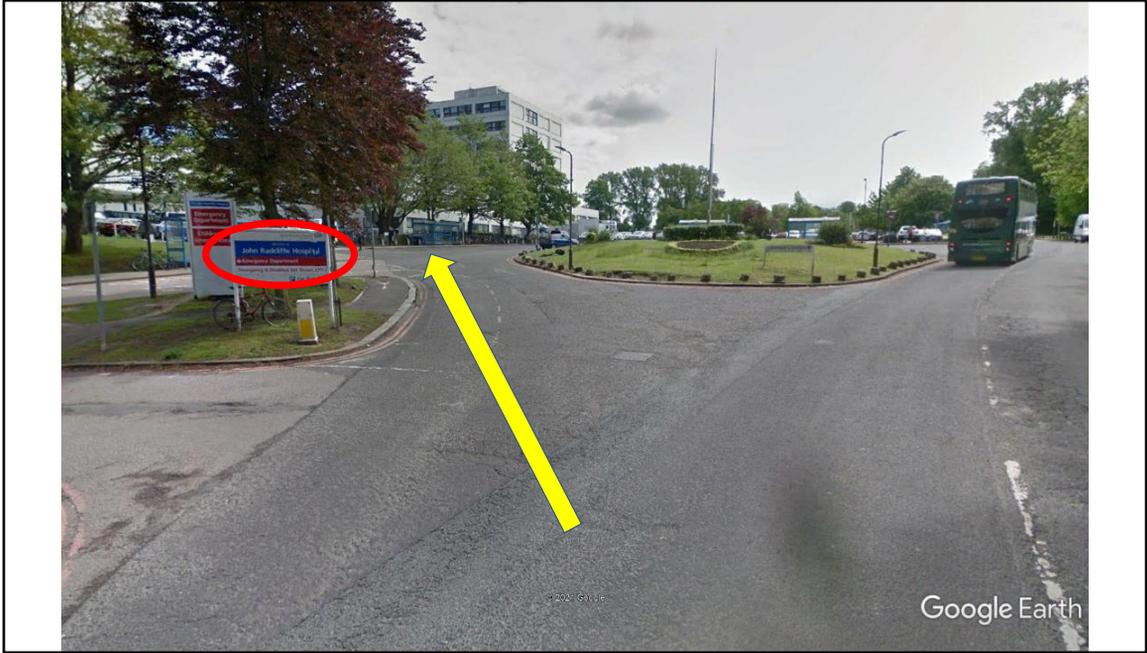

/continued.....

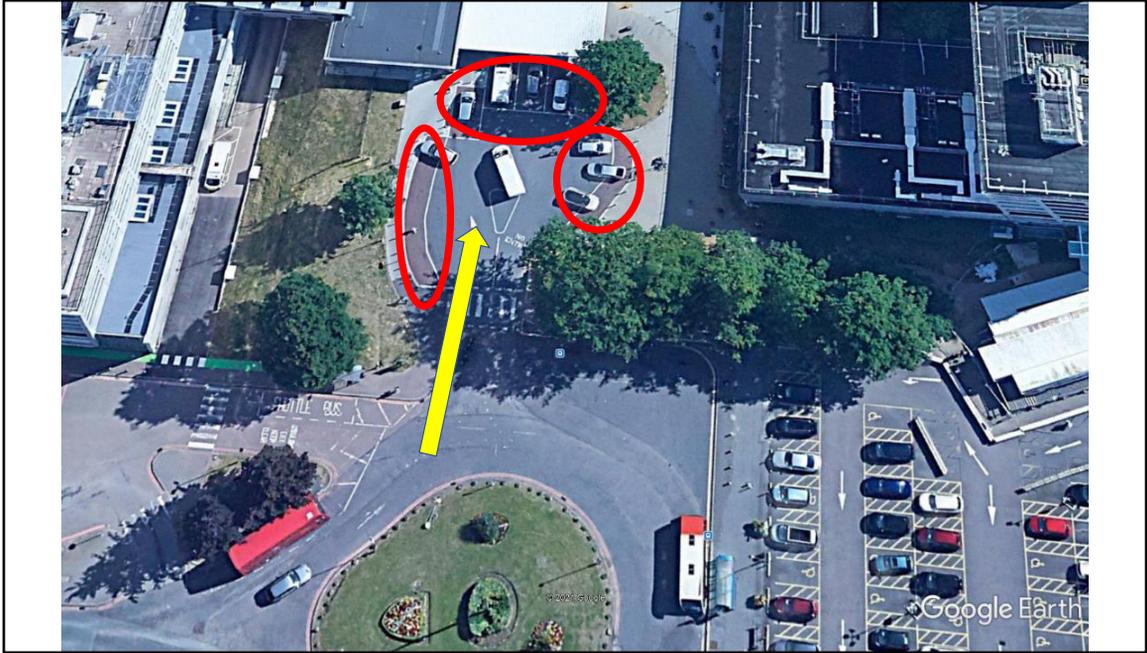

Turn right to the Main Entrance for the Pathlab.

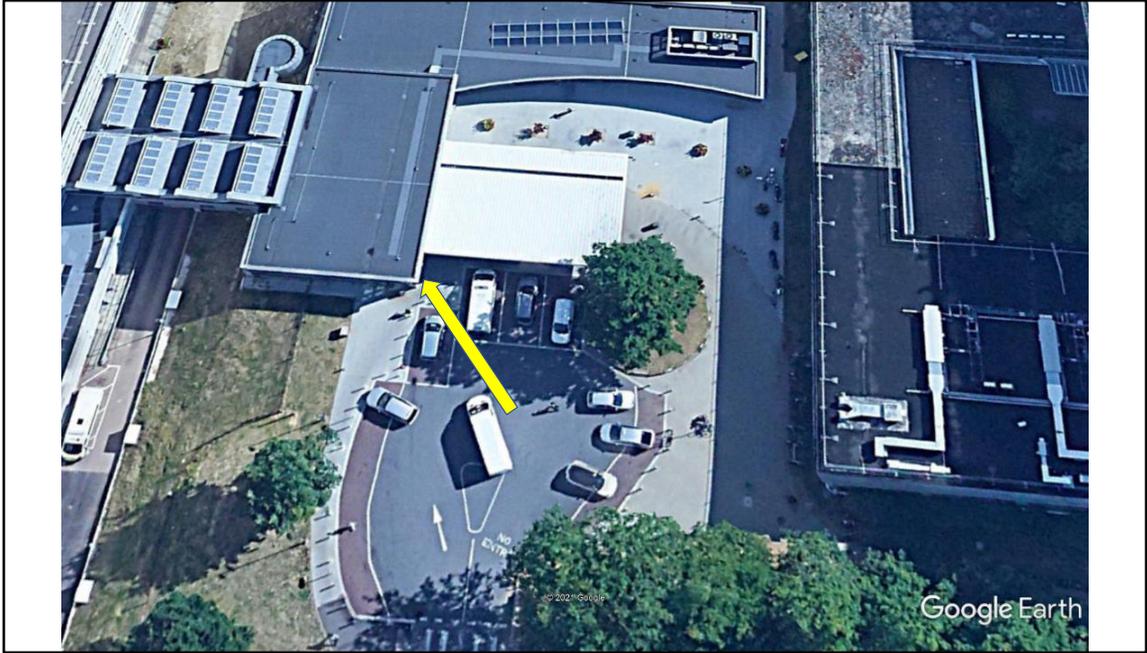

Follow the bus!! Continue straight on toward the Emergency Department and the Main Hospital Building Entrance in which the Pathlab is located

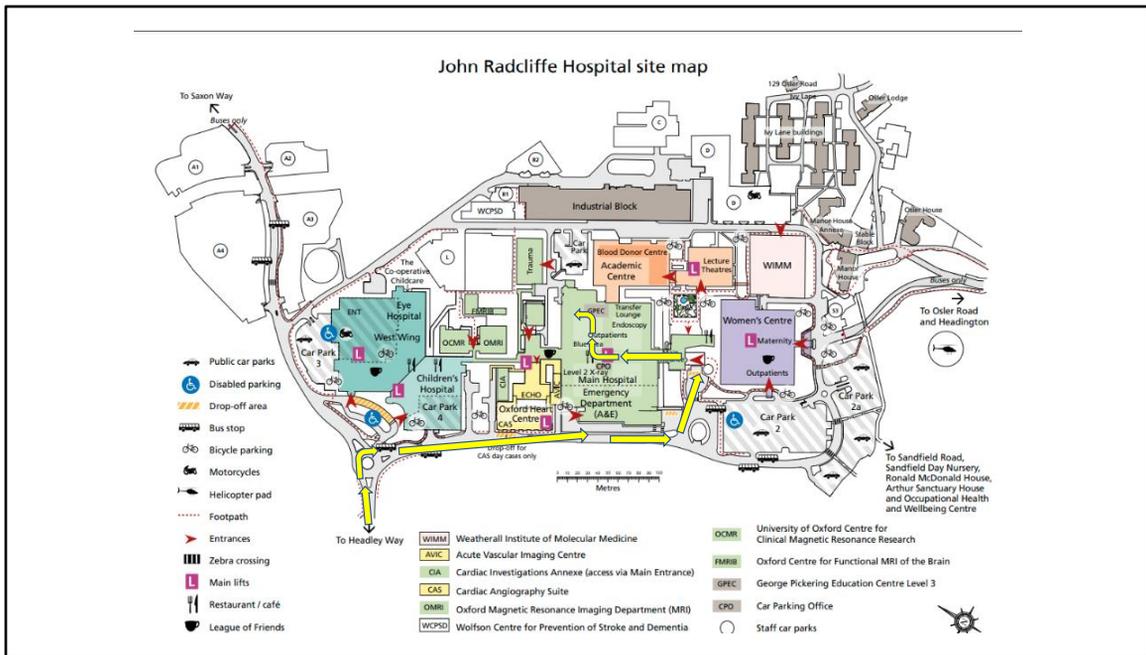

For the Pathlab at the main entrance turn in left towards the hospital buildings.

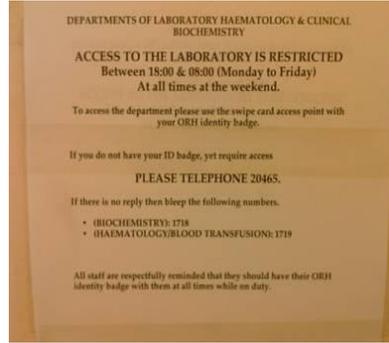

Pull into the main forecourt of the hospital and park in any of the areas marked with a red ellipse

Enter the hospital through the doors at the end of the arrow. There are toilets in the main reception and during regular hours there is a hospital shop and toilets.

After entering the hospital through the doors to the left of the parking area head straight to the main corridor. Continue down the corridor until you reach the pharmacy on your left. Opposite the pharmacy on your right are a pair of double doors marked Outpatients. Go through the double doors then take the third corridor on your left which is marked North Lifts. Take the lift to level 4 noting that you are level 2 for when you leave. If the lift is not in use take the stairs next to the lift.

When you exit the lift there is a set of double doors to your left. Beside the door is a telephone (the photo shows it on your left, but recent reports say it is on the right).

Use the telephone call the pathlab on 20465

If there is no reply then call the main hospital number (0300 304 7777) and beep the following:

Biochemistry	1718
Haematology/Blood Transfusion	1719

Always check the notice on the door in case the numbers have changed, or the phone has moved. (It does that from time to time.)

Any issues call the main hospital and ask for the Pathology Lab or the on call Haematologist
